

CCAA Workshops: September – December 2018

All CCAA workshops are based on a National Occupational Standard (NOS) or specific Transport Canada regulatory requirement. The workshops are carefully designed to provide participants with the tools and knowledge necessary to comply with Canadian Aviation Regulations (CARs)

A trained workforce is a safe workforce! Certification has proven to reduce incidents and accidents. Be compliant and stay compliant with CCAA training.

Check out detailed course content [here](#), find a location and date convenient to you [below](#) and sign up online [here](#). Have 5 or more participants? Call us to see about scheduling a course at your own facility.
